SUMMARY

I am a confident Front-End developer with knowledge of HTML/CSS, JavaScript and React. I have a proven track record of using Agile/Scrum methodology to deliver projects on time, work as a team and focus on user-friendliness. I quickly adapt to dynamics of the environment and constructively solve problems and challenges that arise through a balance between work and daily life. I strive to acquire new knowledge and effectively apply it in practice. I'm a responsible and punctual worker.
